

8704

SAME PLACE, DIFFERENT  
TIME. SUN SHINING BUT IT  
IS NOT HOT. MAY BE A  
SPRING OR FALL DAY. MEN  
WORKING NORTH EAST OF  
SQUAT BUILDING COMPLEX.  
MEN HAVE SHOVELS. THERE  
IS A LARGE DEEP HOLE  
IN GROUND. AT TIMES THERE  
IS A CRANE HERE HELPING.  
LARGE CYLINDRICAL MENTAO  
SHAPE BEING PLACED IN  
GROUND. LOOKS LIKE A  
GIANT SPARK PLUG. PURPOSE  
IS CONNECTING AND ALSO  
CONCEALING. MOVING TO  
COMPLEX ITSELF. GROUNDS  
ARE SECLUDED IN A WAY.  
THERE ARE PEOPLE OUTSIDE

BUT There IS NOT Freedom  
OF movement (NFI). SQUAT  
Building ITSELF IS "sealed  
OFF" IN A way (NFI). GET  
A cacaphony OF impressions  
Here. There IS A LARGE  
TRIANGULAR SHAPED DEVICE (SEE  
SKETCH) WITH A blue BALL  
WHICH I TAKE TO BE  
AN ACCELERATING DEVICE BUT  
WITHOUT ANY RAW DATA.  
There IS A MAN Here WHO  
IS ASSOCIATED OR IS THINKING  
ABOUT A place called  
LA BE ON KA (PHONETIC) IN  
AN OTHER AREA THERE ARE  
SOME ANIMALS, CHICKEN, PIGS  
AND WHAT-NOT. Building  
HAS A STRANGE FEEL. I

ASK ONE PERSON IF HE LIKES  
IT HERE AND HE REPLIES "ITS  
TOLERABLE." PEOPLE HERE WORRY  
ABOUT WHAT PEOPLE IN OTHER  
GEOGRAPHIC PLACES ARE DOING. THERE  
IS A LOT OF INSECURITY HERE  
AND A LACK OF SPECIFIC AS  
OPPOSED TO GENERAL DIRECTION.  
AS I AM LEAVING I TRY  
TO ASCERTAIN ONE OF THE  
PURPOSES OF THIS PLACE. I  
GET BACK ENERGY, BUT HOW  
THAT TIES INTO PIGS &  
CHICKENS I DO NOT KNOW.
